1 Year

OUR CAMPUS

RAFFLES GLOBAL ADVANTAGE

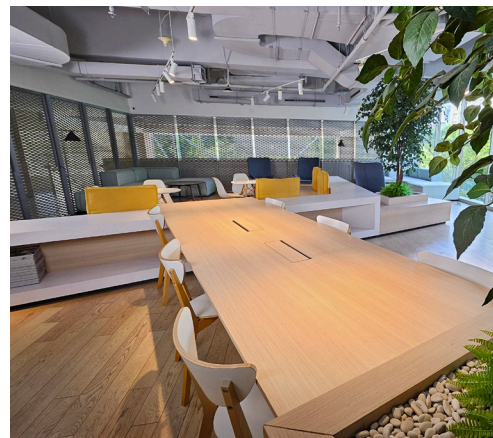

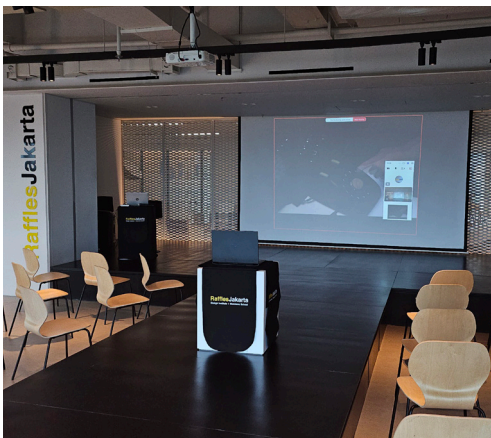

Since establishing its first college in Singapore in 1990, Raffles has grown to operate 16 educational institutions across nine countries in Asia-Pacific and Europe.

Our flexible inter-school transfer scheme allows students to study at any of Raffles' network of colleges, immerse themselves in different cultures, and experience living overseas.

Students enrolled in Raffles benefit from a quality education and well-rounded, hands-on experience relevant to the industry.

This enables them to improve their career opportunities.

Studying in a multinational environment enables our students to expand their personal networks, be exposed to international perspectives, and greatly enhance their career opportunities beyond their home country.

LEARNING MATRIX

DOING WHILE LEARNING

PERSONALISED LEARNING

Students work in studios on projects under the supervision of a lecturer.

Small class sizes allows lecturers to spend more time with each student and better understand their needs.

INDUSTRY READY

Raffles has partnerships with multiple industry partners, enabling us to deliver industry-relevant programs.

PRACTICE-BASED PROGRAMS

Students are involved in industry and community projects during their studies.

Students undertake internships, allowing them to develop practical skills through on-the-job training.

ANALYTICAL THINKING

Students use evidence-based problem-solving to learn how to optimize and improve operations and productivity.

CREATIVE & INNOVATIVE SKILLS

Students learn design thinking and apply it to create new product designs and to design or redesign services, processes, and strategies.

Students develop their skills in entrepreneurship, learning how to commercialize their designs and business ideas.

LEARNING AT THE SPEED OF RAFFLES

At Raffles, experience is key to maximizing personal fulfillment in life. To achieve this objective, we have infused our fast-track education with strong practical skills to build experience and cultivate innovation.

The programs at Raffles are designed to develop creative professionals and entrepreneurs in the fields of design, business, psychology, and infocomm security.

Taught by an international team of professionals, students are equipped with industry-relevant skills and the ability to interact with people from diverse cultures and nationalities, enabling them to achieve career excellence more quickly. Another key reason for Raffles' fast-track approach is our belief that an intensive period of study cultivates a strong sense of responsibility and appreciation for family support.

Completing your studies ahead of your peers presents more opportunities in the industry and helps propel your career forward. It is a meaningful way of expressing gratitude and appreciation for your family's support.

Through our intensive curriculum, we equip students with creative abilities and practical problem-solving skills. We develop graduates who are both team players and independent thinkers, ready to pursue their passions. Students can commence their studies conveniently in January, April, July, and October. Graduates can also begin their careers during any of the four intake windows.

This maximizes their employment prospects and allows them to better meet the ongoing human resource needs of industry. This is the advantage of learning at the speed of Raffles.

MASTER OF BUSINESS ADMINISTRATION

COURSE OVERVIEW

The Raffles MBA program is designed for ambitious professionals seeking to elevate their leadership, strategic thinking, and business capabilities. Bringing together students from diverse industries and cultures, the program transforms these differences into powerful collaborative learning experiences.

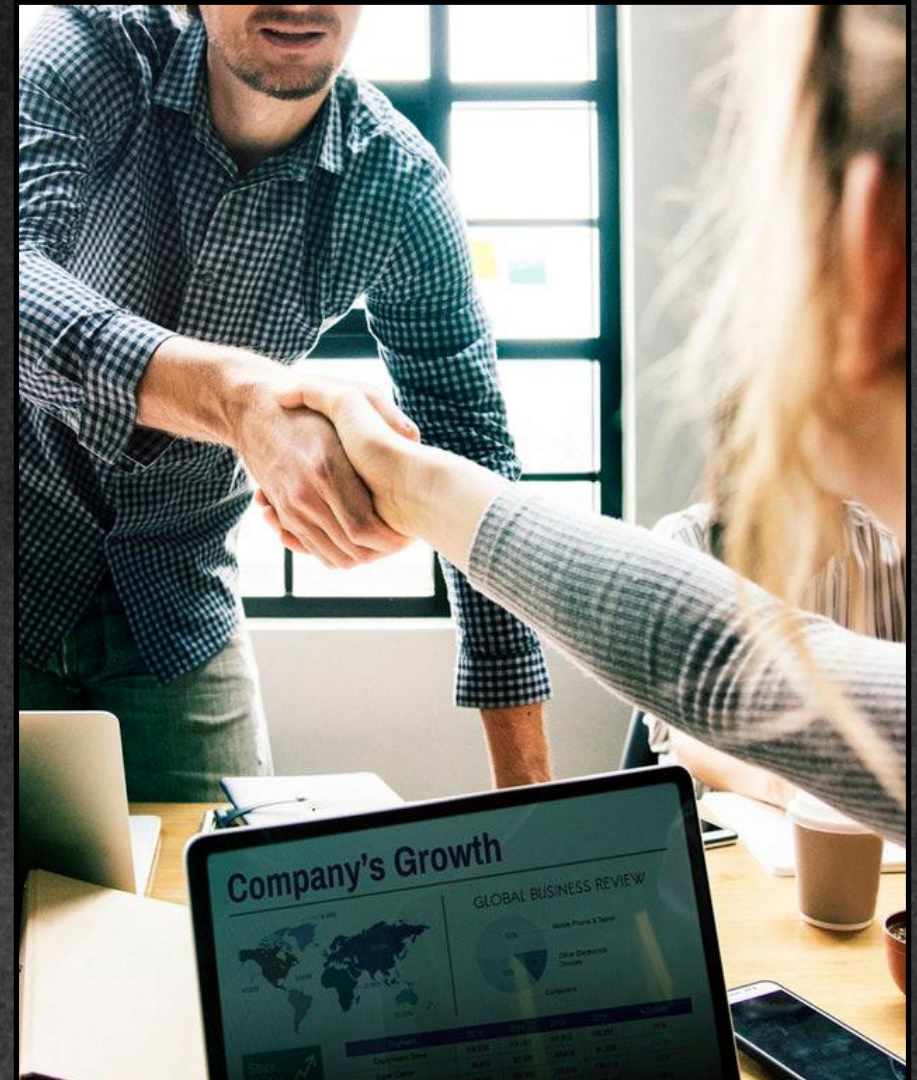

Built on an integrated, multidisciplinary curriculum, the MBA deepens expertise in evolving management theories, data-informed decision-making, and real-world business practices.

Whether advancing in your current role or stepping into new leadership opportunities, the Raffles MBA equips you with the tools to lead with confidence and impact.
